What we do know is from the label on the Miracle II Soap bottle, which reads thus:
"The most complex mixture of natural minerals and organics that has ever been blended together. Miracle II is a spiritually revealed, formulated product. Contains: Prayer - Electrically engineered eloptic energized stabilized oxygenated water - Ash of Dedecyl solution - Dehydrabiethylamine - Calcium - Potassium - Magnesium - Foaming agent - Cold pressed Avocado - Almond - Olive & Coconut Oils - Vitamin E - Miracle II contains and holds spiritual and ecliptic energy."
Elements of Sandia Foam, and more info on that is here.
